## SPORTS UPDATE

### JUNIOR SCHOOL SPORTS UPDATE

**On September 6, thirteen primary students travelled to Sydney Olympic Athletic Park to compete in the CIS Athletics Championship.** It was a beautiful day for our athletes to compete after all their hard work training with Coach Rob throughout Term 3. They have improved so much on their technique and skill and most students have hit a new personal record and have shown a positive attitude towards athletics.

Congratulations to all these students in their events. Looking forward to a great program with Coach Rob in the future.

<b>Domenico B</b>	Senior Boys Relay
