## JUNIOR SCHOOL CRICKET GALA DAY

On Thursday 17 October our Senior Cricket Team for the Junior School represented the College for the CASA Cricket Gala Day.

It was a perfect day for cricket and the team did an amazing job in showing off the values of the College. While we didn't have the outcome we hoped for the team demonstrated many improvements in all areas of the sport and their ability to work well together as a team throughout the year. The students who represented the College should be very proud of what they achieved and their sportsmanship on the day.
