SENIOR SCHOOL SPORTS UPDATE

At the end of last term, we had an elite group of students attend the CIS Athletics Carnival.

It was a day to remember where our students put their best foot forward and made us incredibly proud in their individual and relay events.

I am thrilled to announce that our Junior Boys Relay Team finished 3rd meaning that out of all of the independent/private schools across NSW, Thomas Hassall have the 3rd fastest relay team! To add to this, although we had some upset with injury, Luke M in Year 10 stepped up to sprint in the relay team and as a result they finished 5th!

A big congratulations to Luke M who medalled in both Long Jump and High Jump, he then went on to represent the College (for the last time) at the All Schools Athletics Championships and placed 4th in Long Jump. This is an outstanding achievement. I want to take the opportunity to wish Luke all the best as he graduates from the College and thank him for representing Thomas Hassall year in and year out.

Mrs Irene Focas

Sports Coordinator - Senior School
