## CASA SECONDARY NETBALL GALA

**On the Thursday 31 October, Thomas Hassall hosted the year 7 girls CASA netball gala day.** It was a great day of competitions and although our Year 7 netball team were very new to netball, they played so well and enjoyed learning the game together.

While we didn't make it to the finals, the girls played 3 intense games of netball, and we are very proud of their effort and sportsmanship. Well done to the girls for a solid performance.

**Miss Dayla Tikeri**
