

THE WAY

HISTORY MASTERMIND COMPETITION

On 14 November 2024, sixteen talented students from Years 9 and 10 at Thomas Hassall Anglican College took part in the History Mastermind Competition held at Tara Anglican School. Selected from our Extreme (Elective) History classes, these students were eager to showcase their knowledge and represent our college in this enriching event.

While we didn't take home the trophy this year, our students displayed exceptional dedication, demonstrating their skills and passion for history throughout the day. The event provided a wide range of challenging rounds based on the Year 9 and 10 History syllabus, allowing participants to apply what they've learned in class as they competed against teams from private and public schools across Sydney.

In addition to the main rounds, students enjoyed various bonus activities such as “Music Through the Ages,” “Who Am I?,” “Heads and Tails,” and “Identify the Flag.” These games not only tested their historical knowledge but also encouraged teamwork and added an element of fun to the day.

Accompanied by their teachers, Mr. Mills and Miss Sharma, the students represented Thomas Hassall Anglican College with pride and enthusiasm. The History Mastermind Competition was an excellent opportunity for learning, skill-building, and building camaraderie among history enthusiasts from various schools.

We look forward to more such opportunities that nurture our students’ love for history and enrich their educational journey. Congratulations to all participants for their fantastic effort!

Mr Samuel Mills

Year 7 Advisor, History and Christian Studies Teacher
