

KINDERGARTEN ORIENTATION

This Term we hosted our 2025 Kindergarten students for an Orientation Day . Parents dropped their child at a kindergarten room where they were able to play and make new friends.

While the students were getting to know each other the parents met for an information session. New students also had a chance to sing, read, make craft and most of all play. It was a great start to their educational journey and we look forward to seeing them again in 2025.
