

## KINDERGARTEN ORIENTATION

**This Term we hosted our 2025 Kindergarten students for an Orientation Day . Parents dropped their child at a kindergarten room where they were able to play and make new friends.**

While the students were getting to know each other the parents met for an information session. New students also had a chance to sing, read, make craft and most of all play. It was a great start to their educational journey and we look forward to seeing them again in 2025.
