

THE WAY

PREP CELEBRATION

This week, we held the Celebration event for our Prep students, with our 3-day classes gathering on Wednesday and our 2-day classes on Thursday, marking a significant milestone in their prep journey.

Each event featured a thoughtful Bible message, encouraging the students as they prepare for the next chapter in their learning. The students delighted their families with heartfelt performances of songs they had been practicing, showcasing their hard work and enthusiasm.

To close each celebration, students received their special end-of-prep gifts, a token of their achievements and growth.
