## SPORTS UPDATE

### SENIOR SCHOOL SPORTS UPDATE

#### **A reminder for students to register their interest for Term 1 Sporting Events.**

An email was sent to all students with the link to register their interest for sporting events occurring throughout Term 1. This is for students who play at a competitive level in their respective sport. Students must register to continue to receive information about the event they are interested in.

#### **A busy holiday break was had by some of our top athletes!**

It was great to hear about Elijah and Adrian's representation at Friday's High Achiever Assembly where they both shared the recent experiences they had overseas in their respective sports. Both were grateful for these opportunities and highlighted the importance of having a growth mindset on the international stage.

Elijah W in Year 11 had his first international gymnastics debut at the Austrian Future Cup and Czechia Olympic Hopes Cup - regarded as a key platform for showcasing the world's best young gymnastic talent. The competition featured participants from twenty-one nations and we are very proud of Elijah and all he achieved in this competition.

Adrian T in Year 10 traveled with the Australian All Schools Football team to the UK for matches against England, Ireland and participate in many other educational opportunities surrounding the world of Football. We congratulate him again on making it into the top 16 players of the country and look forward to seeing him achieve great things this year!

## MISA Teams Selected and ready to compete in Week 4.

I was so pleased with the amount of students trialing this term to be in a MISA Sporting Team. Unfortunately, we are limited with how many we can select but I do encourage students to keep trying, especially those in the younger grades who may have missed out this time around.

I am excited to announce the following captains for each MISA team this term. Wishing them all the best and looking forward to seeing them put their best foot forward against other MISA Schools:
