

THE WAY

YEAR 9 CAMP WEDDERBURN CHRISTIAN CAMPSITE

The Year 9 camp at Wedderburn Christian Campsite was an unforgettable experience for the students. They slept under the stars in tents, embracing the outdoors, eagerly awaiting the Sydney storms and learning valuable life skills. The camp offered a brief but meaningful introduction to the Duke of Edinburgh program, allowing the students to gain a glimpse of the challenges and rewards of outdoor adventures and personal development. From team-building activities to outdoor exploration, the camp provided an opportunity for students to grow in confidence and camaraderie while immersing themselves in nature. The Giant Swing activity was the biggest attraction among the students and demonstrated the heights we could reach if all of us pulled in the same direction.
