KINDY PARENT MEET UPS

The Parent Community Network has organised some upcoming meet ups for parents in Junior School, creating a welcoming space to connect.

Whether you're catching up with familiar faces or meeting new parents for the first time, these gatherings at the Parent Café are a great way to feel part of the community. Don't worry if you don't know anyone—we'll make sure you're introduced to other parents, so you can feel right at home.

If you would like to know more please ask in the Parent's Whatsapp Group for the relevant grade. If you are not yet part of a WhatsApp group and would like to be use this [form](#).
