K - 12 WRITING COMPETITION LIST

There are many wonderful writing competitions running in Australia . We have compiled a list of the ones valid in NSW of which we are aware. If your child has a talent or passion for writing, they may want to enter some (or all!) of the competitions showcased on the link below.

Please note, every competition has specific terms and conditions. Make sure the guidelines are followed closely to be eligible to enter. These conditions could include age of child, length of submission or even things like size, font and spacing of the text.

The competitions are run outside of Thomas Hassall Anglican College, but we would love to hear from students giving it a go and any success stories. You could let Junior School know via asaville@thac.nsw.edu.au or Senior School via mmiller@thac.nsw.edu.au
