CASA SENIOR SWIMMING CARNIVAL

The CASA Swimming Carnival was held on the 27th of February at Sydney Olympic Park - The event was from 4:00pm onwards so I was very grateful for all the students (and their families) who gave up their personal time to attend the carnival and represent our college with pride. In particular, I would like to extend my thanks to Henry L and Simon E - although swimming is not their main sport, they came purely for our relay teams - this is a testament to not only their great character but also commitment to the college.

Our students showcased remarkable talent, determination, and teamwork. The event saw some outstanding performances, and we are proud to celebrate the achievements of our swimmers. A highlight of the night was the stellar performance of our Junior Boys Relay Team, who clinched third place in both the medley and freestyle relay events.

In addition to the relay team's success, an impressive total of 10 students have qualified for the prestigious AICES Swimming Championships. This is an outstanding accomplishment, as these swimmers earned their spots through impressive individual performances, placing in the top 3 of CASA.
