Junior School Cross Country Carnival for students in Years 3 - 6

On Tuesday 18 March, we held our annual Junior School Cross Country for Year 3 to 6 students at College. After postponing the carnival last week due to the rain, we were blessed with perfect weather to run the 2km and 3km courses.

We recognise and commend all students for their hard work and persistence during the event. It was fantastic to hear students encourage each other and reflect on achieving their personal best results.

Special mention to the Age Champions, who placed first in their age group:

AGE	GIRLS	BOYS
8/9 Years	Sophia C	Raphael A
10 Years	A'mia B	Jeremy G
11 Years	Ella K	Samuel I
12 Years	Violet O	Thomas S

A huge thank you to our Year 10 PASS students who were check points stationed along the course, offering support and encouragement to all the runners. We are also grateful to the guide runners who accompanied the Junior School students as they raced.

Congratulations to those students who placed in the top 8 of their respective age groups, earning the opportunity to represent the College at the upcoming CASA Cross Country Carnival on Thursday 8 May. We wish them all the best as they continue their training and preparation!
