

SENIOR SCHOOL CROSS COUNTRY

The Senior School Cross Country Carnival was a very warm but exciting day of competition and House Spirit, bringing together students, staff, and families for an action-packed day.

Our students enjoyed their time on the track while our athletes pushed themselves to the limit! House Tug of War was also another thrilling experience but to top it off, our Year 12 House Colour Run was one for the ages and thoroughly enjoyed by staff and the Year 12 cohort.

Congratulations to the below champions, and a big thank you to everyone who participated and made this event one to remember!

AGE CHAMPIONS		
12 Years	Sofia M	Dante C
13 Years	Ahilya C	Domenico B

A highlight of the event was our King and Queen of the Track races. Only the top runners qualified for this event and to be included in the event itself is an honour. A HUGE congratulations to Adrian T who for the second year in a row, won this event and was crowned our King of the Track. Another special mention to another incredible athlete Dakota J, who has not only claimed the title of Swimming Champion of Champions but now is also our Queen of the Track after her epic performance in the race against the fastest long-distance runners of the College!
