MOVIE NIGHT MUSIC PERFORMANCE

Last Friday night, the Queensland Tour Band kicked off an exciting evening with a special performance ahead of the highly anticipated "Movie Night under the Stars." The band set the tone for the cinematic experience, entertaining the audience with repertoire that they have been working on for their upcoming QLD Music and Dance tour.

With their diverse musical talents, the QLD Tour Band played a variety of well-known scores and iconic melodies. Their performance was a great opportunity for them to debut as the tour band.

Whether you're a movie buff or a music lover, this event was a memorable night filled with entertainment that we hope you all enjoyed.
