QUEENSLAND DANCE TOUR

Our Dance students have worked hard over Term 1, rehearsing a 25 minute routine to perform at various places over Brisbane, dazzling audiences at Dreamworld, Nambour Christian College and an Anzac Festival with high energy hip hop, jazz and lyrical combinations. It has been a wonderful experience for our Dance students to join the QLD tour, opening up opportunities to perform and learn from some of the best in the Industry.

One highlight was working with leading dance teachers and choreographers from some of the biggest and reputable studios in QLD such as Dynamite and Dance Force where they participated in technique and performance classes of hip hop, jazz and contemporary. They also collaborated with dance students from Nambour Christian College, completing dance classes and workshops and showcasing their talents to the school. In Term 2 they have more performance opportunities which they are looking forward to showcasing at eisteddfods, Dance Festivals and at school.

Mrs Melanie Whitelaw

Senior School Teacher PDHPE - Head of Dance
