INDEPENDENT SCHOOL DANCE FESTIVAL

Our dance students spent the day at the Independent School Dance Festival where they had the opportunity to showcase their talent as well as experience a salsa workshop. They also had the opportunity to watch other schools and see the versatility and amazing choreography of other independent schools within the area in styles of lyrical, contemporary and musical theatre.

It was a wonderful experience for our Primary Junior Troupe and MISA secondary dancers to perform in a professional theatre and they were an outstanding representation for the College. We thank our dance coaches for their hard-work in preparing the students and for working with them through the day and night backstage.
