Our team took to the courts with confidence and unity, showing incredible teamwork and passion from the very first whistle. Each game was an opportunity to demonstrate skill, test new strategies, and lift each other up—win or lose.

Leading the team was our Sport Captain Laura M, a standout player who has proudly represented our school since Year 7. We also had Year 12 students, Mina T and Andrea K who showed leadership, experience, and calm presence on court and were instrumental in guiding and motivating the team throughout the day. Her commitment to the sport and to the team continues to inspire the next generation of players.

The day was more than just competition—it was about connection, growth, and school spirit. Our team represented the College with pride, resilience, and great sportsmanship, and we couldn’t be prouder of their efforts.
