

WORLD SCHOLAR'S CUP

Recently some students from Years 7-10 attended the World Scholar's Cup (WSC) which was held at Regents Park Christian School. The WSC is an annual international academic program. More than 50,000 students from over 60 countries participate every year. Students from Thomas Hassall competed in the Sydney round of the WSC.

The WSC consists of academic events like multiple choice exams, collaborative writing, team debate and an interactive quiz bowl. Students from Thomas Hassall had fun larger working in teams with students from other schools around Sydney.

Some notable achievements at WSC included David A. participating in the Debating Showcase (for the top 6 debaters), Mia N. winning the senior writing section and Alison B. coming towards the top of the junior debating section.

Congratulations to all the students who participated in the WSC and hopefully more students from Thomas Hassall can experience the fun and challenges of WSC in 2026.

Mr Matthew Miller

Senior School Gifted & Talented Coordinator
