YEAR 7 PEER SUPPORT

Since the beginning of Term 1, our Year 11 Peer Support Leaders have played an invaluable role in welcoming and guiding our Year 7 students through the transition into college life in the Senior School. Meeting regularly in Pastoral Care classes, they've helped nurture friendships, model support networks, and encourage confidence-building through meaningful conversations and activities.

We're incredibly grateful for the positivity, leadership, and care they've shown and are sad to see their time in this role come to an end, as they finish their preliminary studies and prepare for the HSC.

It’s been a genuine pleasure having them journey alongside our youngest students in Senior School, and the impact they’ve had will no doubt be felt long after they step away from the program. We would like to acknowledge all our Peer Support Leaders and wish then all the best for their last year of school.
