

100 DAYS OF KINDERGARTEN

Early this term students in Kindergarten celebrated “100 days of learning” . This was an opportunity for our students to dive into the number 100 and to consider how much they have learnt. Here is a list of a few things relating to 100.

- 100 things I am thankful for
- Counting forwards and backwards from 100
- 100 words we know
- Exercising challenge = 10 push ups, 10 star jumps, 10 knee lifts, 10 scrunches.....
- Drawing what we will look like when we reach 100.
- Writing about the things we will do before I get to 100.

The best part was dressing up to look like we were 100 years old. We even had to walk and talk like we were 100.

Overall, it was a wonderful time to celebrate 100 days of learning.

Mrs Trudi Woods
