

BUNNINGS FATHER'S DAY PERFORMANCE

On Thursday 4 September, Hoxton Park Bunnings hosted a special Father's Day event, where our Intermediate Concert Band and Intermediate Stage Band turned the store into a vibrant concert space. Their indoor performance created a lively atmosphere and brought the community together in celebration.

Students from Years 5 to 10 showcased their musical talents with a genre-spanning setlist, from the elegance and energy of Mozart to the infectious groove of Earth, Wind & Fire. The evening featured everything from classical compositions to jazz, funk, and soulful piano-vocal ballads, creating a rich and varied musical experience for all who attended.

The event wasn't just about music, but also connection. Students worked together across year levels, sharing their passion and strengthening ties with the local community. And of course, no Bunnings celebration would be complete without the iconic sausage sizzle. After the final note rang out, performers were treated to a traditional Bunnings BBQ, well-earned and delicious.

A huge congratulations to all the performers and music staff!

Mr Lachlan Kennedy
