

THE WAY

THE HASSALL GIFT

The Hassall Gift is one of the College's most anticipated traditions, bringing together students from Prep to Year 12 in a unique relay event. Each House is represented by a boy and girl from every year group, showcasing the strength and spirit of our College community.

The race begins with our youngest learners in Prep, who sprint to hand the baton to Kindergarten. From there, it continues through each year level, symbolising the journey of learning and growth across the College, until the final handover to our Year 12 runners who drive their House to the finish line.

The atmosphere was electric, with the whole College cheering loudly from the sidelines. A special highlight was seeing our Senior House leaders rallying behind the youngest members of their House, offering encouragement every step of the way.

Congratulations to our winners Carmichael Girls and Liddell Boys!
