

2026 ORIENTATIONS

As we prepare to welcome new and returning students to the College in 2026, a series of orientation events have been scheduled to help families and students transition smoothly into the next stage of their schooling journey. These sessions provide valuable opportunities for students to become familiar with their new learning environments and for parents to connect with staff and learn more about College life.

Please see the upcoming orientation dates

Friday 7 November	Year 7 Orientation, including a parent information session
Monday 10 November	Prep Orientation (for both 2 & 3 day programs)
Tuesday 18 November	Kindergarten Orientation Session 1, including a parent information session
Thursday 20 November	Kindergarten Orientation Session 2
Friday 28 November	Year 1-6 Orientation (New students to the College in 2026)

Further details regarding times and specific arrangements will be shared with families closer to the date.

We look forward to welcoming our 2026 students and families as they begin this exciting next step in their educational journey.
