

STAFF VS STUDENT

What a week! Over two action-packed days, staff and Year 12 students went head-to-head in Volleyball and Dodgeball, bringing plenty of laughs, competitive spirit, and more than a few sore muscles.

Thursday's volleyball match was a tight contest, with staff just edging out the win—2 sets to 1. Led by Mr Vasington, the staff team showed surprising finesse and teamwork, holding off a determined Year 12 side who didn't make it easy.

Friday's dodgeball game was pure chaos in the best possible way. Both teams embraced the "Five Ds" of dodgeball—dodge, duck, dip, dive, and dodge. After a flurry of flying balls and dramatic dives, the game ended in a draw. Year 12 managed to land a few well-aimed revenge throws, perhaps settling scores from past Red Cards and lunchtime detentions. With the draw, staff retain the trophy for another year!

A huge thank you to Mrs Stewart and Mr Roper, our Year 12 Advisors, for organising together such a fun event. Thanks also to all the staff who took part.

Well done to all the Year 12s who got involved. You brought energy, humour, and teamwork that would make any PDHPE teacher proud. Special mention to Christian A, Lily S, Jenson R, and Rebecca P for standout performances across both days.

Year 12 have made their mark in sport during their time at the College, and we can't wait to see what you achieve next on the field and in your careers.

Mr Kent Weir

PDHPE Coord & Coaching Leader
