

JUNIOR TERM 3 ART SHOWCASE

In our last edition, we shared the incredible work of our Years 3-6 students in Visual Arts. From glam rock self-portraits and musical instrument drawings to Broadway-inspired lanterns and Pop Art icons, each year group explored new techniques, ideas, and creative challenges.

Now we are delighted to share some photos from the exhibition, showcasing the imagination, skill, and collaboration that went into these projects.

Thomas Hassall Anglican College students' work is now featuring in the IPSHA Virtual Art Show. Our Year 5 student, Liliana G mandala artwork is prominent on the promotional poster for the show.
