

THE WAY

REGISTERED NURSE NEEDED

Our College Health Clinic is an important part of daily life at Thomas Hassall, supporting the health and wellbeing of students from Prep to Year 12. From first aid and ongoing health needs to being a calm presence when children are unwell, the Clinic plays a vital role in caring for our community.

We are now seeking a caring and qualified Registered Nurse to join this dedicated team. The role involves a regular day each week, with the flexibility to provide additional support when needed.

If you are, or if you know, a Registered Nurse who may be interested, please share this opportunity with them.
