PRIMARY ICAS COMPETITION 2025

Students from Years 3 - 6 recently elected to sit the ICAS assessments for English, Science and/or Mathematics.

"ICAS Assessments are designed to recognise academic excellence. Students are assessed on their ability to apply classroom learning to new contexts using higher-order thinking and problem-solving skills" www.unswglobal.unsw.edu.au.

We are delighted with the level of participation this year and with the many excellent results.
