

THE WAY

YEAR 12 CLASS OF 2025

The final week of Term 3 was a wonderful celebration for our Year 12 students as they marked the end of their school journey. The week was filled with memorable moments, including the themed dress-up Trivia Night, the much anticipated Year 12 vs Staff Volleyball and Dodgeball game and their final Hassall Gift.

A special highlight was their final day of school, which began with a Prayer Breakfast. Students and staff gathered to reflect and give thanks for their journey together. It was a meaningful start to their final day, filled with fellowship, encouragement, and shared blessings as our Year 12s prepared to step into the next chapter of their lives. Following this, the students visited our kindergarten classes to read a story about growing up. It was wonderful to see our seniors engaging with our youngest learners and a heartwarming reminder for year 12 of how far they have come.

The celebrations continued with their Graduation Ceremony, a moving occasion that allowed students, families, and staff to reflect on achievements, growth, and cherished memories. The week concluded with the Year 12 Formal, a joyful and festive evening where students celebrated together one last time, creating memories that will be treasured for years to come.

It was a week of reflection, joy, and gratitude as students and staff came together to celebrate the Class of 2025 and all that they have contributed to our school community.

We wish our Year 12 students every success as they begin their HSC examinations which commenced this week. We are incredibly proud of their hard work, perseverance and achievements and we look forward to seeing all that they accomplish in the years ahead.
