SENIOR SCHOOL RENOVATION & TRAFFIC FLOW

Construction is now underway on our new Senior School Library (IRC). This project will deliver a modern and welcoming space for students to study, research, and collaborate.

During the renovation period, there will be a slight change to traffic flow around **Gate 3** due to construction fencing, particularly affecting those dropping students off for the Sports Academy.

We kindly ask families to use **Gate 1** turning right and the drop-off zone at the front of the Sports Complex instead. Thank you for your patience and cooperation as we work towards this fantastic new facility for our students.
