

YEAR 3 EXPLORE POETRY

This term, Year 3 students have thoroughly enjoyed diving into the wonderful world of poetry!

They have had fun experimenting with similes and metaphors to bring their writing to life, expressing emotions and ideas in creative new ways. Using *The Little Wave* by Pip Harry as our mentor text has inspired thoughtful discussions and sparked a love for poetic storytelling! It's been fantastic to see the students' confidence and imagination shine through their own poems.
