

THE WAY

P IS FOR PREP

Each week in Prep, students learn a new letter of the week as part of the Pre-Lit Program. Last week's adventures were all about the letter P and what a perfect week it was!

We became pirates, flew on planes, had a picnic, played with princesses, painted pink and purple patterns, created Mr Potato Head people, pasted pears on a pear tree during maths, added pipe-cleaners to our sensory sound books, and even played parachute games in sport.

Learning really is fun in Prep!
