TERM 4 | THE WAY NEWSLETTER | FRIDAY 31 OCTOBER 2025

E-SAFETY WEBINARS

The eSafety Commissioner is holding free parent and carer webinars to prepare families for the changes in Social Media.

From 10 December 2025, certain social media platforms won't be allowed to let Australian children under 16 create or keep an account.

The 30-minute webinar will help parents and carers understand the upcoming changes to social media access for children under 16.

Join our information session to:

- - understand the purpose of the new age restrictions and how they aim to protect young Australians
- - understand which platforms will require users to be 16+ and what platforms they can still access
- - get tips and resources to support your child's online safety and wellbeing through the transition.

Parents and carers will gain:

- - a clear understanding of the new rules and their implications
- - confidence in guiding their child through these changes
- - access to trusted resources to support safe and positive online engagement.
