WELCOMING THEIRCARE IN 2026

We are pleased to introduce TheirCare as the provider of our Outside School Hours Care (OSHC) program. TheirCare offers structured before and after school care, as well as vacation care, designed to support families and provide a safe, engaging environment for students. They are very experienced in developing programs that encourage social interaction, creativity and wellbeing.

This change will be effective from **2 February 2026** (the first day College for 2026). OSHClub will continue to provide their before and after school program and will run vacation care until 30 January 2026.
