## JUNIOR ENSEMBLES EVENING

The recent Junior Ensembles Evening was a resounding success, showcasing the incredible talent and hard-earned skills of our young musicians.

Over 100 dedicated students across seven different ensembles entertained parents and friends with a wonderfully diverse program. The repertoire spanned genres, ensuring there was something for everyone to enjoy:

- Traditional Folk Songs
- - Beloved Movie Themes
- - Classic Jazz Standards
- Timeless Classical Wonders

The evening highlighted the depth and breadth of our music program and was a fantastic testament to the students' commitment and the dedication of their tutors. Congratulations to all who participated in presenting such a great night of music!
