

THE WAY

GETTING UNIFORMS READY FOR 2026

As your child prepares to move into a new grade next year, we would like to remind families about the upcoming uniform transitions.

Students entering **Year 7** and **Year 11** are required to be in the updated uniform from the start of **2026**.

Years 2-6, 9 & 10 in 2026 can continue wearing any old-style uniform items that they already have until 2027. (Refer to the [transition period](#) information)

Uniform Policy Reminders

Parents should read the [College Uniform Code](#) to check College uniform expectations.

The [Uniform Policy](#) is available in the Parent & Student Handbook.

When purchasing or adjusting uniform item parents should be aware that:

- - K-12 dresses/skirts must be on-the-knee for length
- - Sports shorts should be mid-thigh length or longer
- - Boys must wear a belt and tie

Sports Shorts - Girls

Please note that the shorter style of sports shorts previously sold is no longer available. We now offer a longer style to support appropriate fit and comfort during physical activity. Families are reminded that sports shorts must be worn at the correct length. If your daughter is still wearing

the older, shorter style, it's likely they have outgrown them and will need to purchase the updated version from the uniform shop.

Fitting Appointment

We encourage appointments for families needing uniform fittings so that you can be assisted by the Midfords team.

[Book an Appointment](#)

If you have previously purchased uniforms and are only getting a top-up or next size, you do not require an appointment. However, please note that during the busy periods you may need to wait for service if the team is busy with appointments booked.

Online Store

Enjoy the convenience of online shopping.

Orders will be filled when the store is next open.
