

THE WAY

YEAR 7 SHOWCASE THEIR CHRISTMAS TEXTILE CREATIONS

In the final week of College, our Year 7 students have been showcasing their incredible textile skills by creating beautiful Christmas tree decorations. Using felt as their base, they designed and machine-sewed festive patterns, joining front and back pieces with precision. They mastered straight and zigzag stitches, explored applique and perfected pivoting techniques all on the sewing machine! Well done Year 7, your creativity and craftsmanship are truly impressive!
