DOES YOUR CHILD LOVE TO SING?

Open to all students in Years 3-6, the Junior Choir is a joyful, confidence-building space where students can discover the fun of singing, enjoy music games and make new friends.

Singing in a choir offers so many benefits for developing minds. It strengthens memory, boosts wellbeing, and nurtures teamwork as students learn to listen, blend and support one another. Most importantly, it gives children a creative outlet where they can express themselves and experience the thrill of performing.

Our Junior Choir enjoys many performance opportunities throughout the year, from school events to special celebrations. These moments on stage help students grow in confidence and pride as they share their hard work with the community.

Rehearsals take place every Thursday from 2:45pm-3:45pm commencing **Thursday 19 February**, led by our enthusiastic conductor, Mrs Ford, who brings energy, expertise and a love of music to every rehearsal.

We're looking for lots of new, enthusiastic singers to join us this year. To register your child for an audition please complete the Expression of Interest.
