A CREATIVE START TO 2026

The start of 2026 is bursting with creativity and energy here at Thomas Hassall!

Our campus is alive with rehearsals as students and staff prepare for the highly anticipated College musical, Charlie and the Chocolate Factory. Whether they're dancing, acting or singing, our performers are working hard to bring this story to life in what promises to be a spectacular production. Keep an eye out later this term for ticket information, you won't want to miss it!

Next week in Week 3, our Music Academy returns as all co-curricular ensemble rehearsals commence. If your child plays an instrument or sings with one of our groups, we're excited to welcome them back for another year of music-making. We have a fantastic program of performances planned for 2026 and we can't wait to see our students continue to grow in confidence and skill.

Looking ahead, our bi-annual Music Camp will take place in the second half of the year. This is always a highlight! More details will be shared soon.

There is so much to look forward to as we begin 2026. We can't wait to see you at one of our many creative events throughout the year!
