JUNIOR SCHOOL SWIMMING CARNIVAL

We held our 3-6 Junior School Swimming Carnival today and despite the change in weather, the event was a great success. It was fantastic to see such high participation levels as students took to the pool.

We look forward to sharing the full story in the next edition of The Way.

CASA Junior Basketball Gala Day

Our Junior Boys and Girls basketball teams came together to compete at the CASA Basketball Gala Day, each playing six highly competitive games. Both teams showed fantastic improvement as the day progressed, demonstrating great determination and school spirit.

The boys finished the day in 6th place, while the girls achieved an impressive 4th place.

A big thank you to Coach Taha and Coach Dayla for their guidance, encouragement and support throughout the day.

Well done to all players involved!
