YEAR 8 CAMP - AGH CAMP DOUGLAS PARK

Year 8 went to AGH Camps in Douglas Park last week, as part of the College's yearly camp program. We were pleased with their engagement with the various outdoor activities planned, with some even occurring throughout heavy rain. Some highlights included the three-person gorge swing and the sky bike, which had a bike suspended in the air and the students riding along a tightrope in a flying-fox type fashion.

Students have been considering what it is like to 'discover,' and how that looks in discovering ways in which we each other, both peers and teachers alike. Additionally, learning to get along is not always easy at this age, but we welcomed and celebrated many instances of this during camp. We will continue to encourage this, and will continue to focus on that, this year and we look forward to partnering with our Year 8 families to see even greater connections and strong leadership within our cohort.

Mr Jiarn Vasington & Miss Priya Sharma
Year 8 Advisors
