TERM 1 | THE WAY NEWSLETTER | FRIDAY 27 FEBRUARY 2026

A STRONG START FOR YEAR 11

As we begin the 2026 College year, we hope the Christmas break was a refreshing time of rest, connection and celebration for all our families. It has been wonderful to welcome students back on campus and to see Year 11 step confidently into senior school.

The year is now well underway, with students settling into their subjects and beginning to prepare for their first assessments. A helpful resource for families navigating the early assessment period is the SchoolTV page on managing exam stress, available through the Thomas Hassall website:

Thank you to our Year 11 College families for your support in helping the term start so smoothly. It has been a positive and settled return to College life, and we look forward to partnering with you throughout the year ahead.
