2026 SENIOR SCHOOL SWIMMING CARNIVAL

The recent Senior School Swimming Carnival was a fantastic celebration of spirit and community and I couldn't be prouder of the way our students represented the College. We were blessed with great weather throughout the day, which set the perfect tone for a vibrant and energetic event by the pool.

From the first race to the final relay, the level of participation and enthusiasm was outstanding. Our house areas were a sea of colour, chants and encouragement, with house spirit on full display. It was wonderful to see students not only striving for personal bests in the water, but also cheering for their peers.

There were some truly excellent performances across all age groups. Several swimmers demonstrated impressive skill and determination. In the coming weeks, we look forward to recognising our Age Champions and celebrating the Champion House for 2026. These achievements reflect not only athletic excellence but also commitment and consistent effort throughout the day.

Thank you to our staff and student leaders who helped make the day such a success. It was a memorable carnival and we look forward to building on this momentum for the rest of the sporting year.
