

TWELVE EGGS HIDDEN IN THE JUNIOR LIBRARY

The Easter Bunny needs help! He has lost twelve of his eggs in the Junior Library. It is up to the students in Prep, Kindy and Year 1 to find them for him. Can the eggs be found in time for Easter?

This term the Junior Library is running an Easter competition for students in Prep to Year 1. Twelve Easter eggs have been hidden in the barcodes of twelve different picture books, the only way students can find an egg is to borrow one of those books. Each egg finder will win a brand new book of their choice. This competition will start next Monday 16 March and will run until the end of the term.
