- 

YEAR 3 INVESTIGATE THE WORLD OF ANCIENT MESOAMERICA

This term in HSIE, our Year 3 students have been engaged in an exciting unit of work exploring the rich history of Mesoamerican civilisations. Students have been researching one civilisation of their choice, the Inca, Aztec, or Maya, and discovering fascinating information about their culture, achievements, and way of life.

In English, students have also been learning about informative, persuasive and imaginative texts. This week, our focus has been on informative writing, where students are learning how to present facts clearly and accurately.

Bringing this learning together, students are using their Chromebooks to research and create an informative poster about their chosen civilisation. They are developing important skills such as locating relevant information, organising their ideas and presenting their findings in an engaging and structured way.

We are incredibly proud of the students' enthusiasm, curiosity, and effort throughout this learning experience.

Mrs Lisa Sampson
Year 3 Year Leader
