## COLLEGE ENSEMBLES TAKE THE STAGE AT THE CAMDEN SHOW

**Our College ensembles delivered a fantastic series of performances at the Camden Show recently, showcasing teamwork, musical growth and vibrant stage presence.** Intermediate Concert Band and Stage Band visited the show during the day and played a strong set full of a variety of pieces that brought a great energy to the show stage. All students performed extremely well and it was great to see all students work as a team to load musical equipment on and off the bus. They were a positive support when watching other schools perform too and students even had time to take a quick tour of the show and walk around to look at all the exciting rides and showbags on offer.

Later in the evening, two more of the Colleges groups returned to the stage; the Guitar Ensemble and the Senior Stage Band. Guitar Ensemble, featuring students from Years 8–11, impressed audiences with their technical precision, rich tone, and wall of sound. Their performance added a unique musical flavour to the day's lineup. The Senior Stage Band closed our contributions with a funky, high-energy set of reimagined classics. Their professionalism and support for other schools reflected the strong community spirit of the event. Overall, it was a wonderful day of music-making and a proud moment for all students involved.
