

FROM THE DIRECTOR OF OPERATIONS & WELLBEING – JUNIOR SCHOOL

Manners Matter - Term 2 Focus: Digital Citizenship (P-6)

This term, our Manners Matter focus is Digital Citizenship. Across P - 6, students will be learning how to be safe, savvy and social when using the internet and digital devices. Lessons will explore making positive choices online, understanding how behaviour impacts others, protecting personal information and knowing what to do if something doesn't feel right.

Helping children navigate the online world is a shared responsibility. We encourage parents and carers to partner with us by continuing these important conversations at home - talking about online safety, respectful communication and responsible use of technology.

As we guide students in making wise choices online, we are reminded of the following verse:

Be careful what you think, because your thoughts run your life.

- Proverbs 4:23

Together, we can support our students to become confident, respectful and responsible digital citizens both online and offline.

Mrs Donna Schatzman

Director of Operations & Wellbeing – Junior School
