

JUNIOR SCHOOL GIRLS' WINTER UNIFORM UPDATE

Families are advised that with the Junior School girls' winter uniform update the Tartan Tab Tie is now required to be worn with both the College pants and the College tunic.

This adjustment ensures consistency across the winter uniform and helps maintain a neat and unified presentation for all students.

Parents and carers are asked to ensure their child has the required Tartan Tab Tie as part of their winter uniform when wearing either the College pants or tunic. If you have any questions regarding the uniform requirements, please contact the College office.
