

MOTHERS' DAY STALL

Our Mother's Day Stall was once again a special part of the week, with students eagerly selecting gifts for the important women in their lives. It was lovely to watch the careful decision-making as students browsed the tables, weighed up their options and chose something they felt Mum would truly love. The excitement and thoughtfulness shown throughout the stall made it a very memorable event.

A big thank you to our volunteers from the Parent Community Network who made the stall possible. From sourcing and organising the gifts, setting up the displays, helping students with their choices, handling sales and packing everything away, your time and support are greatly appreciated. Thank you for helping continue this much-loved tradition at the College.
